

Children's Hearing Aid Texas (CHAT)

Each year, more than **12,000 children** in the United States are born with hearing needs; many more experience hearing loss after birth.

Who Does Any Baby Can's CHAT Program Serve?

Any Baby Can's Children's Hearing Aid Texas (CHAT) program provides auditory services and hearing aids for children in Central Texas with audiological needs who have no financial alternatives.

How We Help

Any Baby Can provides assistance for children with audiological needs. We supply financial assistance toward the cost of hearing devices and provide case management services, from arranging doctor's appointments to working with schools to manage each child's special needs. We provide assistance toward the following services:

- Audiological diagnostics (including any special testing required)
- Ear molds
- Hearing aids
- Hearing aid repairs
- Services required to have the hearing aids fit on the child and maintained
- Cochlear implant replacement parts (batteries, cords, headpieces)
- Cochlear implant insurance

What It Takes

\$135,817 = Annual budget

100% - Unmet Need

CHAT is fully funded by individual donations as well as contributions from foundations and grants

Major Funders

- St. David's Foundation
- Proceeds from Run to Hear 5K

Where Your Investment Goes

\$1,764 = Average cost to serve one CHAT program family annually

This year, we aim to serve **77 children** and their families.

Charitable donations help us close the gap between funding sources and families' needs.
